Dear Parents/Guardians of Sayreville War Memorial High School Students,

We are excited to announce, starting on May 3, 2021 the High School will transition into 5 full school days per week from 7:30 A.M to 2:12 P.M. All students will participate in full periods of instruction whether they are doing so remotely or in-person. In addition, office hours will no longer take place. Unless students are asked to quarantine by a member of the High School Administration, after April 23rd, students must be in their correct instructional format to be considered present for attendance. Therefore, please be sure to lock in the correct instructional format for your child. At this time we are asking that you only complete the below form if you intend to **change** your child's current placement (High School Students Only). If you have forgotten which placement you have chosen, please log into OnCourse Connect to check.
