March 23, 2021

Good Morning SWMHS Parents,

As we approach the last few months of school, I wanted to provide an exciting yearbook update. First of all, I would like to thank Ms. Donnelly and her yearbook staff for working hard to capture the memories of this particularly unprecedented school year. None of us have ever experienced a school year like this and we are thankful our yearbook staff has been able to document these times at Sayreville War Memorial High School. Thanks to them, our student's will be able to share their stories from this year with their family and friends for generations to come!

In working closely with Ms. Donnelly, and the results from our survey sent to all seniors, we have decided to switch our normal end of the year yearbook delivery to a summer delivery of August. This means instead of receiving the yearbook prior to school being released for summer break, we will be handing out the yearbooks in the summer. This decision was made to allow for a new yearbook experience, which will include more of the events in this ever changing environment. In the past, we've submitted our final yearbook pages to the publisher in early spring. This year we will have until summer to give each student, organization and activity their due coverage. The yearbook staff will continue to work hard to cover all events of this historic 2020-2021 school year. This will be a great change for this year!

In the summer, the yearbook staff will have a yearbook pick up event at the High School. If your student will not be at the school next year, we will be in close communication with you on how you will receive your book when it is delivered.

Please continue to support the yearbook staff by submitting materials to Ms. Donnelly. If you'd like to purchase a book please order at www.jostensyearbooks.com.

Thank you!

Sincerely,

Dale J. Rubino
Principal

Once a Bomber, Always a Bomber!
