Sayreville War Memorial High School

**The Character Education Committee of Sayreville War Memorial High School has created a permanent “Military Service Wall of Honor” in the A-wing hallway at SWMHS.**

**The committee is seeking to display photographs in order to recognize and pay tribute to all servicemen and servicewomen, currently serving or with previous service in any branch of the armed forces. If you attended or graduated from Sayreville War Memorial High School and would like to have your military service recognized in the display case at the high school, please contact Principal James Brown at [james.brown@sayrevillek12.net](mailto:james.brown@sayrevillek12.net). We ask you to include a military photograph (5 x 7 or 8 x 10) along with your full name, military rank, branch and years of service. Please also include years of attendance at SWMHS (previously SHS).**

**If you have any questions, please contact the school at 732-525-5250 (Eileen Giovenco) or 732-525-5283 (Kelly Nakielny, Character Ed coordinator).**
